

Hollymount Primary School

Meeting for residents on the proposed
planning application to enable expansion

Thursday 18 March 2010 at 7.00pm

The council held a pre-planning application meeting with residents in February to discuss the planned permanent expansion of Hollymount Primary School from 210 to 420 places (excluding nursery). As promised at this meeting we are holding another meeting at the school as detailed above.

This provides a further opportunity for residents to ask questions, for the council to show the most up to date plans for the building and the results of the traffic impact survey, as well as gather feedback to help inform the final planning application.

The council plans to submit a planning application for the buildings associated with the permanent expansion at the end of March.

Further details on the expansion including the results of the related education consultation can be viewed at:
<http://www.merton.gov.uk/council/getinvolved/consultation/schoolsconsultations.htm>

This leaflet is being distributed to all residents within a 300 metre radius of the school.
